“FURRY TAILS WITH A TWIST” FAMILY FUN TIME - COMING TO APPLE HOLLER

RACINE, WISCONSIN, December 29, 2011... Apple Holler has been offering great family entertainment for many years. Now, they are adding yet another opportunity for children and their parents to enjoy a fun-filled morning together. Beginning Saturday, January 21st, Apple Holler is proud to offer *Furry Tails with a Twist* Family Fun Time.

This engaging family program will be offered on Saturdays at 10:00am through March 17th. For only \$7 per person, this great value will include: admission to the comedic and high-energy, interactive children's theatre production, *Furry Tails with a Twist*, a fun *Furry Tails* craft, Apple Holler's delicious pancakes and apple cider or coffee, a ride on the Furry Tails Train into the Enchanted Forest, a photo opportunity with the silly *Furry Tails* characters and a visit with live goats at The Golden Goat Bridge. So, be sure to bring your camera to take advantage of all of the great "Kodak moments"!

"Parents and grandparents really enjoy bringing their families out for the different programs we offer throughout the year," said Heather Clayton, Apple Holler's Entertainment Director. "The children and adults are able to get out of the house for a few hours and make special memories together. For less than it would cost to take the family to the movies, they are getting a great show, a craft, pancakes and cider, fun photo opportunities and a ride through the orchard and Enchanted Forest"

The children's theatre show, *Furry Tails with a Twist* is the foundation that the whole program is based around. Two zany actors are getting ready to perform some classic fairy tales, when their script is accidentally dropped and the stories of *Goldilocks and the Three Bears*, *The Three Billy Goats Gruff* and *The Three Little Pigs*, become hilariously entangled. Young children and adults alike are treated to great laughs as the bumbling performers try to continue their mixed up performance. Complete with slapstick, charm, humor and audience participation, this energetic performance is sure to please guests of all ages.

This wonderful family entertainment package is being offered Saturdays at 10:00am beginning January 21st through March 17th. *Furry Tails with a Twist* is also available as a field trip package on most weekdays, January through March, with a group reservation. The cost is \$7 per person, children and adults. Advance reservations are required and can be made by calling Apple Holler at 262-886-8500.

Apple Holler is located between Racine and Kenosha, off I-94 on Sylvania Avenue (the west frontage road), just north of the highway KR exit. Apple Holler is a Family Farm Park, restaurant, bakery, deli, Country Store and apple orchard, and features many entertainment activities, including the Red Barn Musical Theatre shows, children's shows, barnyard animals, outdoor play areas for children, gemstone mining, Farm Park attractions, hay wagon rides, horse-drawn sleigh rides, a seasonal flower market, and fall apple and pumpkin festivals.
